Sue. may all misfortunes pass you by
and love and happiness look you in the eye!
good luck!
love ya! Kelly Eberly

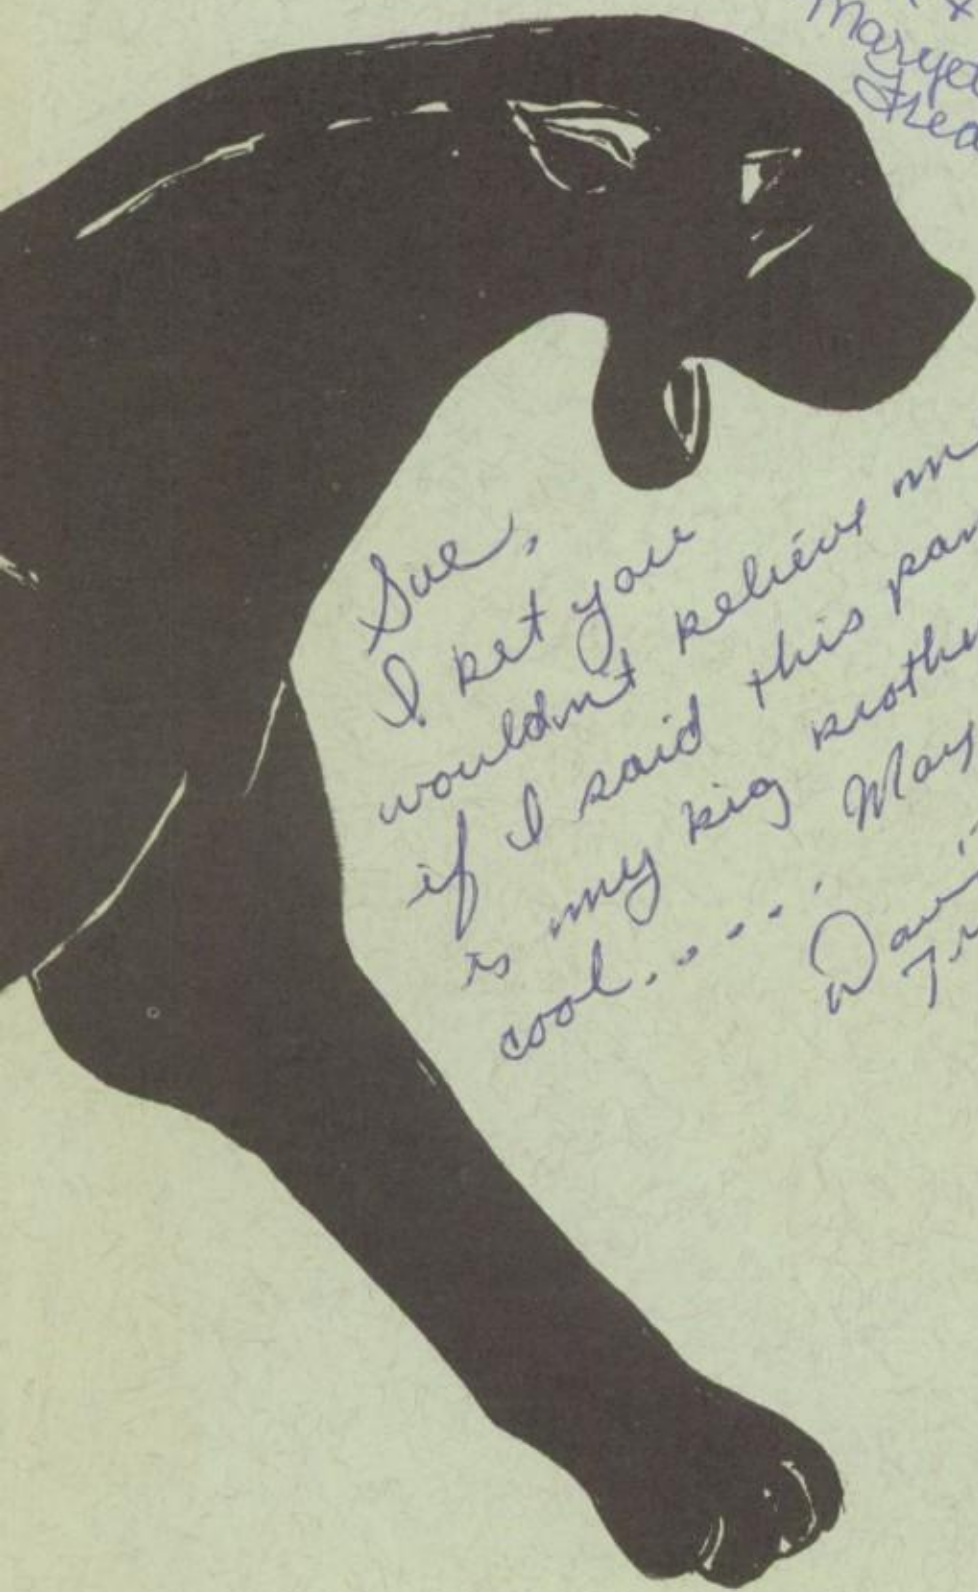

Sue,
To a real
cool girl I'm
glad to know. Stay
cool in the future,
& come out to play
tennis sometime. Good luck
in the future.
Luv,
Kathy

Sue, a really nice
person who unfortunately
isn't in many of my classes!
Maybe next year! Remember
gym class & how lazy we were!
We were so active we should
have gone out for hockey (OH BOY!)
Well anyway take care of yourself
be careful & have fun! Don't be
active this summer cause I
won't! Lots of luck & love
Love Jill

Sue,
To a real meat
person, I met this
year at C.H.S.
Remember the good times and
forget the bad times and
take care, be good times and
be with ya always.

God bless and

Sue,

To a real ding-a-ling I met in
8th grade. Always remembered our crazy
racing conversations. Don't forget the
time you went along to Williams
Grove and we talked to "Big Daddy".
Also remember all of the crazy things
we did in good old Emigsville. Don't
forget 2nd period European cultures with
Mr. Ehrhart. If I keep going on with
all of my weird memories, there won't
be any room for any one else to
sign, but who cares. Remember my
weird but nice dad who always has
a way of making a joke out of
everything. If you don't feel like
remembering all of these things, please
remember just one thing that means more
to me than anything else in the whole
world. Racing. I will also remember
one thing for you, and that is horses.
Well, I guess I will go now.

Your friend (forever)

Foreword

Twelve long years! Twelve years spent learning about sums, grammar — and hopefully — about life itself.

Now we're finished, and all we have left are the many memories of the good and the bad times that we encountered in the course of our education.

We hope that the 1975 Panther will help you to retain memories of this year at Central.

Your education, your learning, and growing up are too much a part of you to forget.

Here we stand

At the crossroads

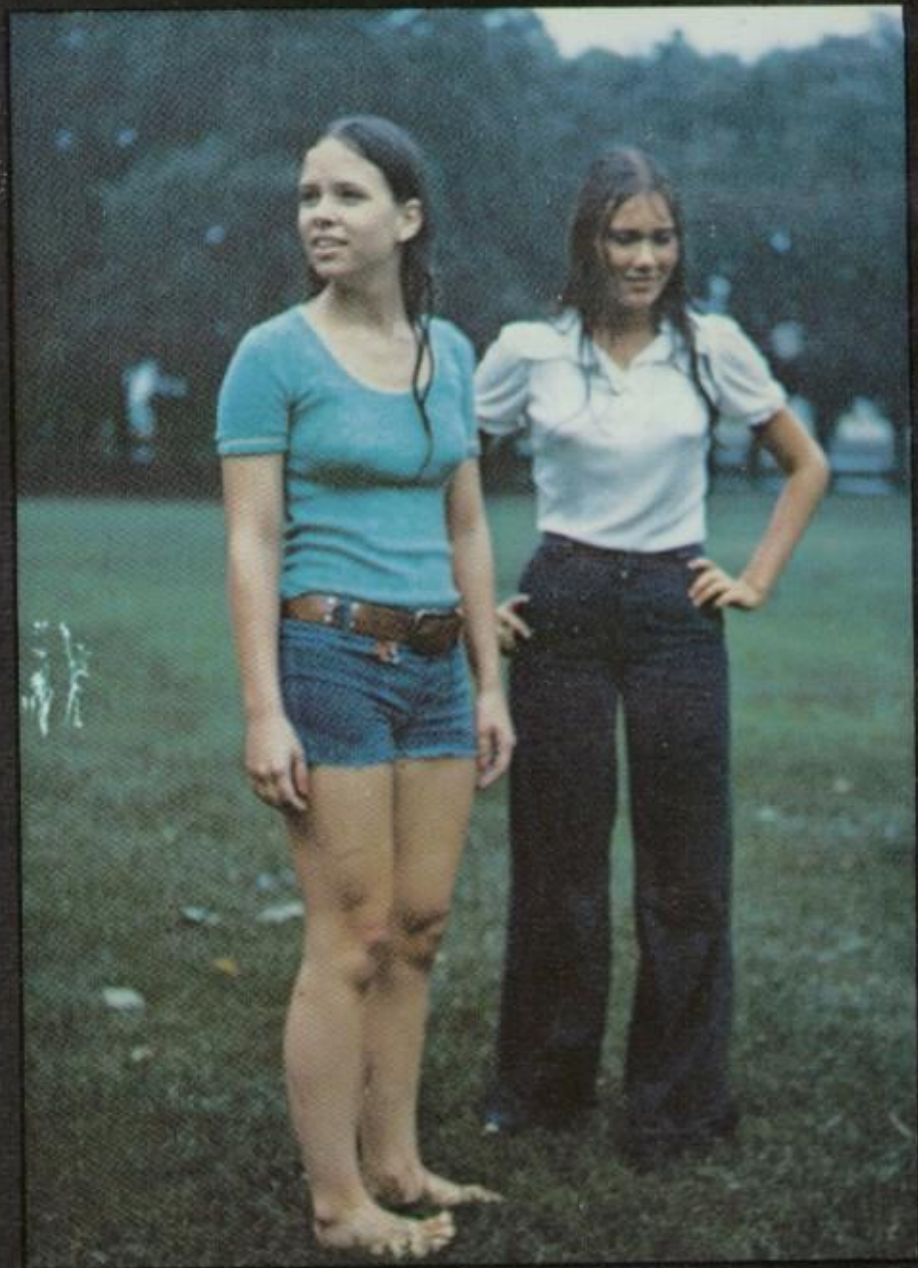

At last!

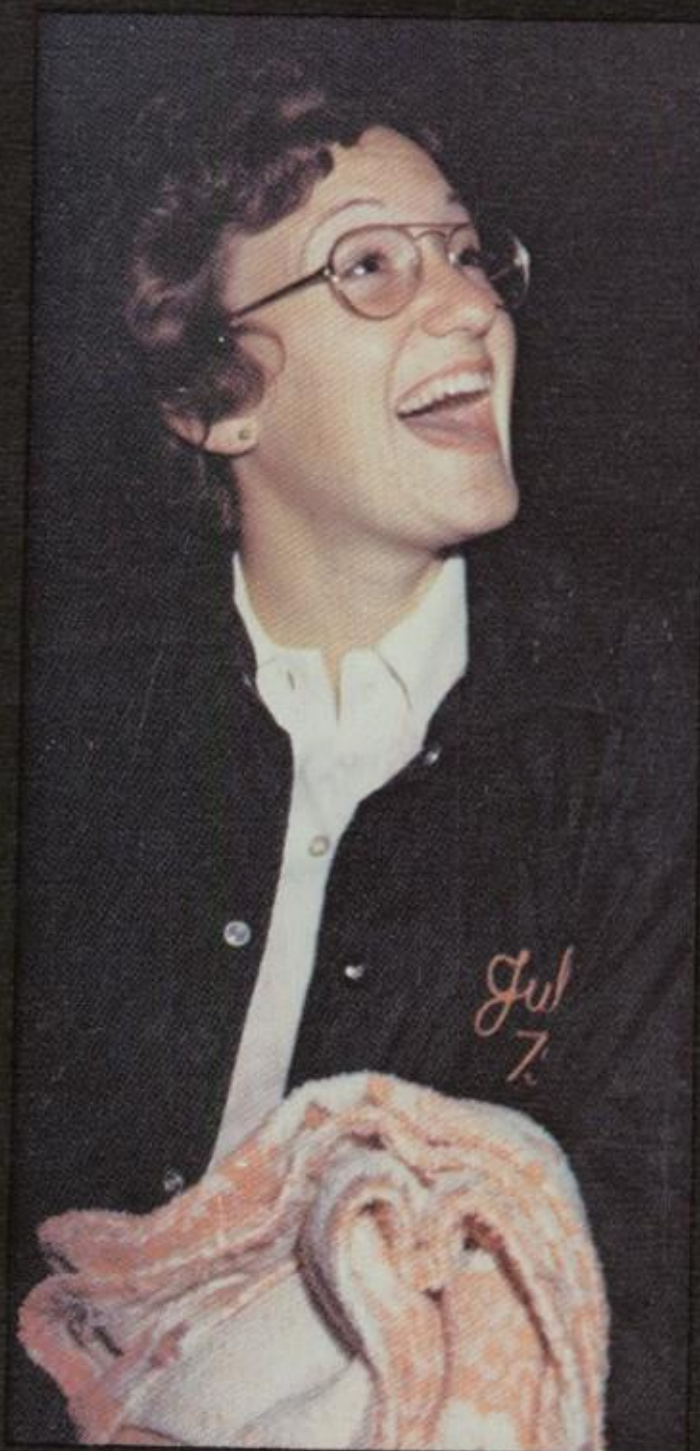

It's been a good life

Now with years ahead

May we gently

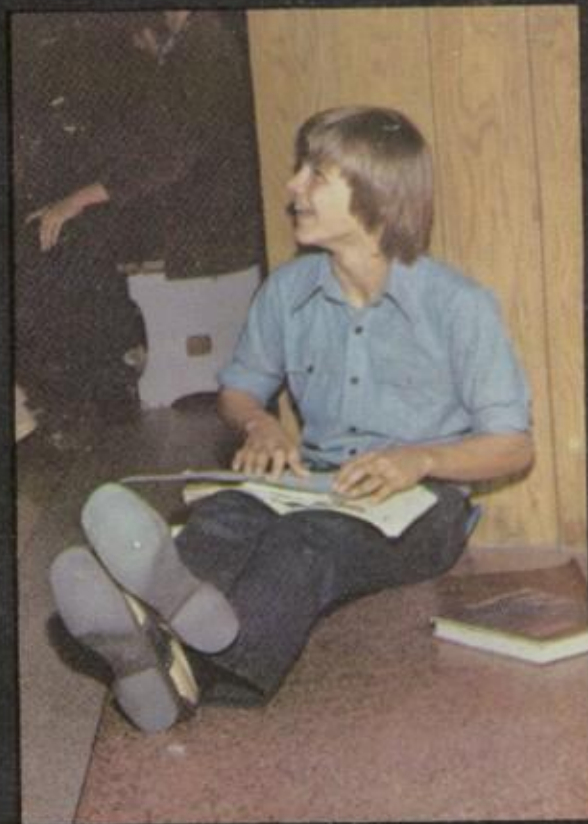

turn together

onto a new world

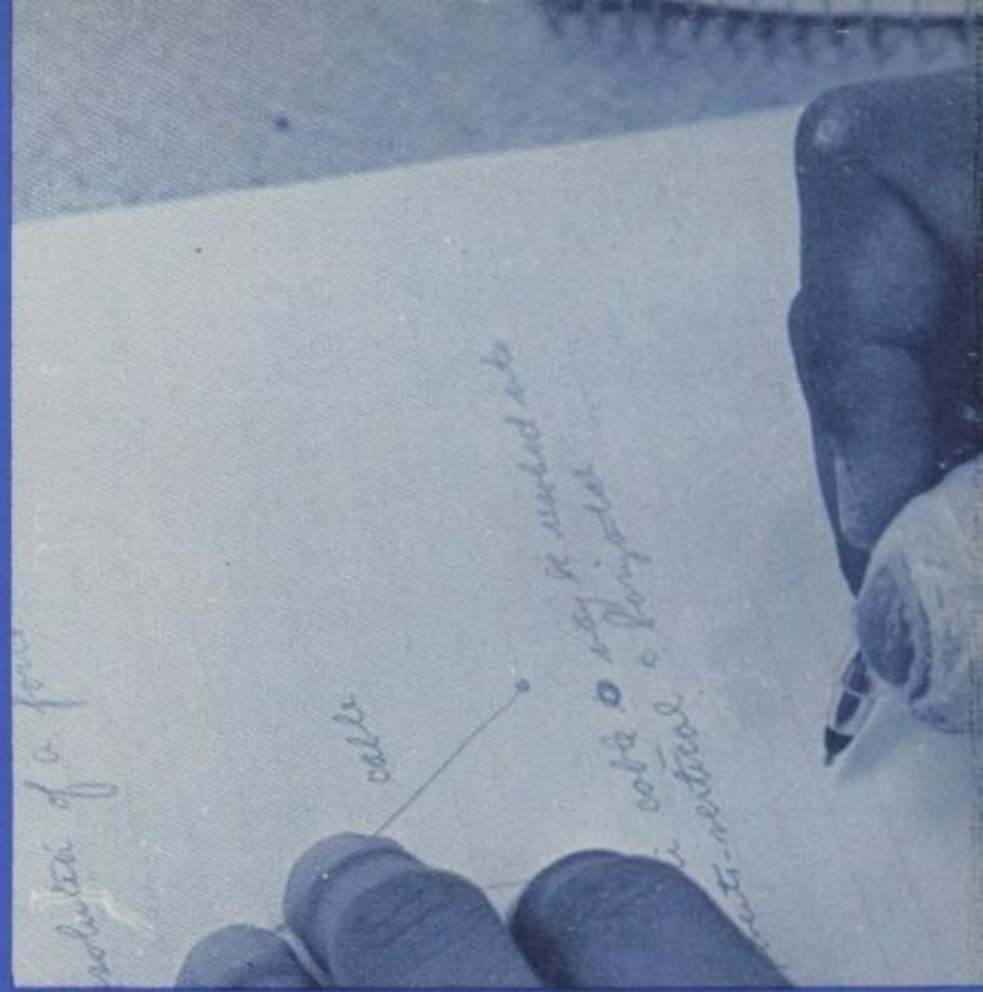

Allowing our memories

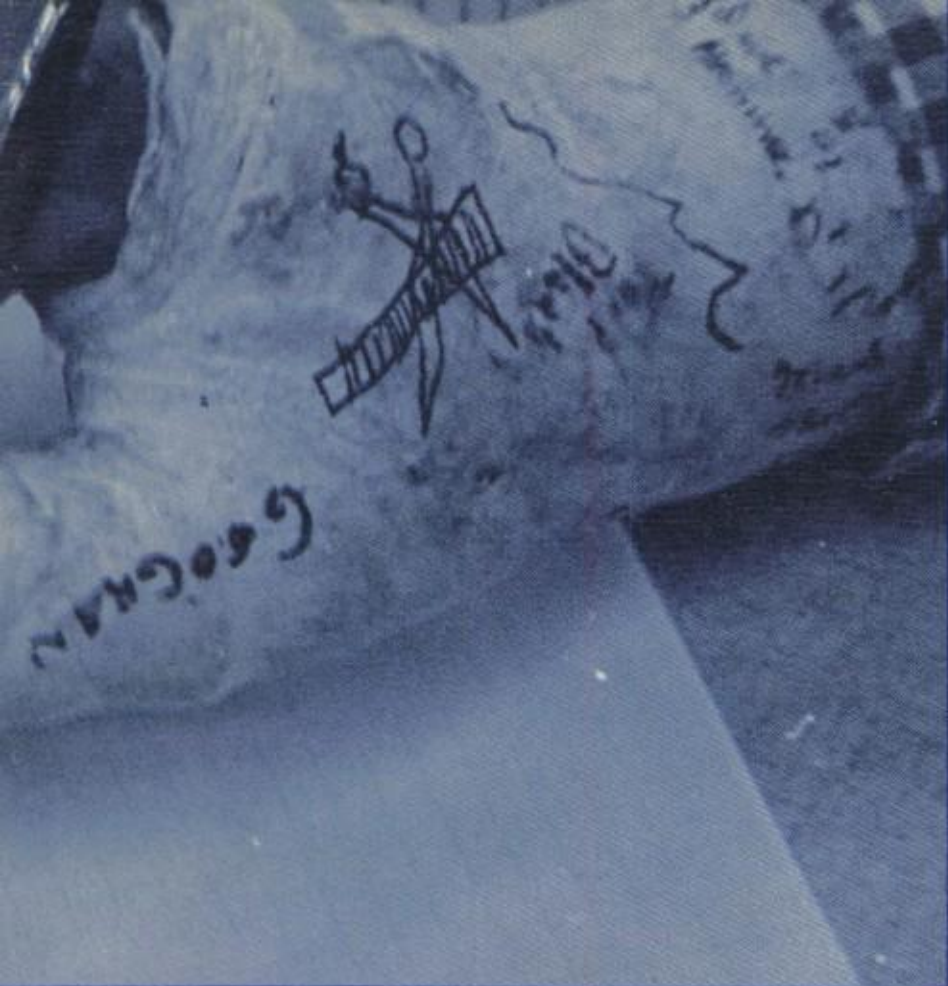

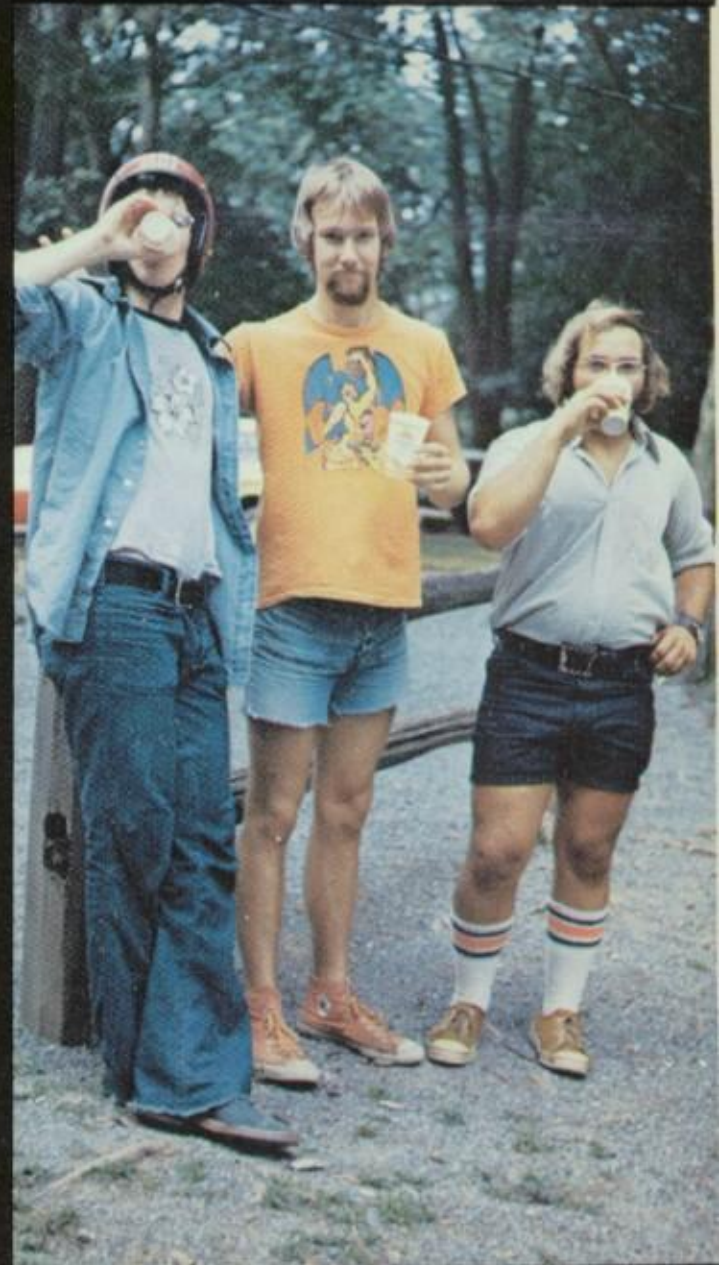

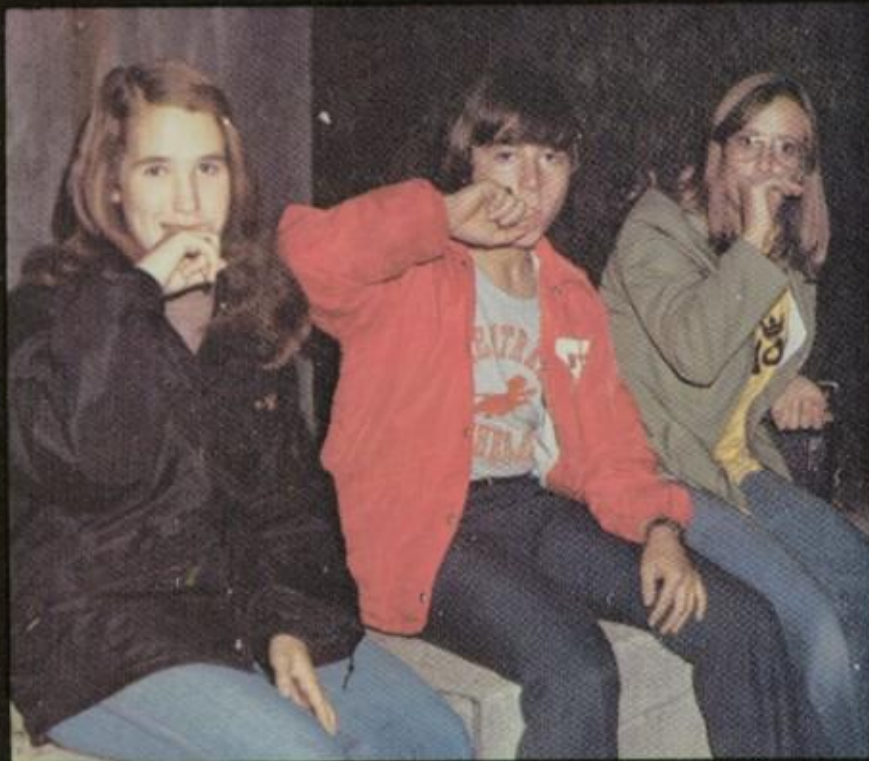

to be forever carved

upon the

Paths of the past.

Dear Friend,

I still can't believe it's all over. Looking back upon years of schooling, it seems to become one big day, full of laughter and activity, disappointments and tears.

Time that went so fast; and faces, countless faces that each changed me just a little. They made me what I am as you know me now. People I've met and the things I've accomplished will not be easily forgotten, for they are a special part of me.

When the class of 1974 graduated, my own graduation seemed so far away. But every time something special happened this year, I tried to remember each detail because I'd then have some left after most of them faded.

Time. Looking back I realize that there are many things I discovered; things that I didn't know I discovered until now. And looking ahead, I see many, many things I still don't understand. I can only hope that the past has prepared me for the future. Now, let me tell you some of the many, exciting things that happened during this past school year...

The Class of 1975 proudly dedicates the Panther to Mrs. Clytie G. Lehr

. . . Through all the trials and tribulations that I beheld in my three years of achievements I had many standing by my side to pull me through. But there is one who is outstanding in her field and quite dear to me.

She was there when I was in need of guidance for the future. She helped me through applications, acceptances, schedules, rejections, exams, and jobs. She was one of the many people who molded me in to the individual that I am today. She was a big part in all that I went through and I would like to honor her in the dedication of the 1975 yearbook. Thank you, Mrs. Lehr, for all the countless things you've helped me with.

The longest lasting memories I'll have about school will be about the special events; the excitement of the student body while the Homecoming Queen is announced, the tense expressions of budding actors and actresses before a performance, girls and guys looking their very best at prom, and tears of farewell at graduation.

It's really hard, even now, to recall every thing that happened during every special occasion. Already details are starting to fade. . .

Prom 1974

On May 18th the 1974 Senior Class entered into an evening filled with memories to last forever. This was their last dance to be shared together as a class - the Senior Prom.

Everyone was greeted at Wisehaven with sounds filling the air by Don Frey and the Executives. The evening was a world full of color and memories making it appropriate for the theme "Color My World" which the Senior Class chose to enlighten the evening.

The evening began at 8:00 o'clock and ended at 11:00 o'clock, but the memories will never end for they will linger on forever in the minds of everyone.

1. Central's own Elvis Presley 2. "Would you care to dance?" 3. "She's mine!" 4. "I can't believe it!" 5. "Kiss me you fool!" 6. "Your cologne is driving me wild!" 7. Entertainers of the evening 8. Smile pretty!

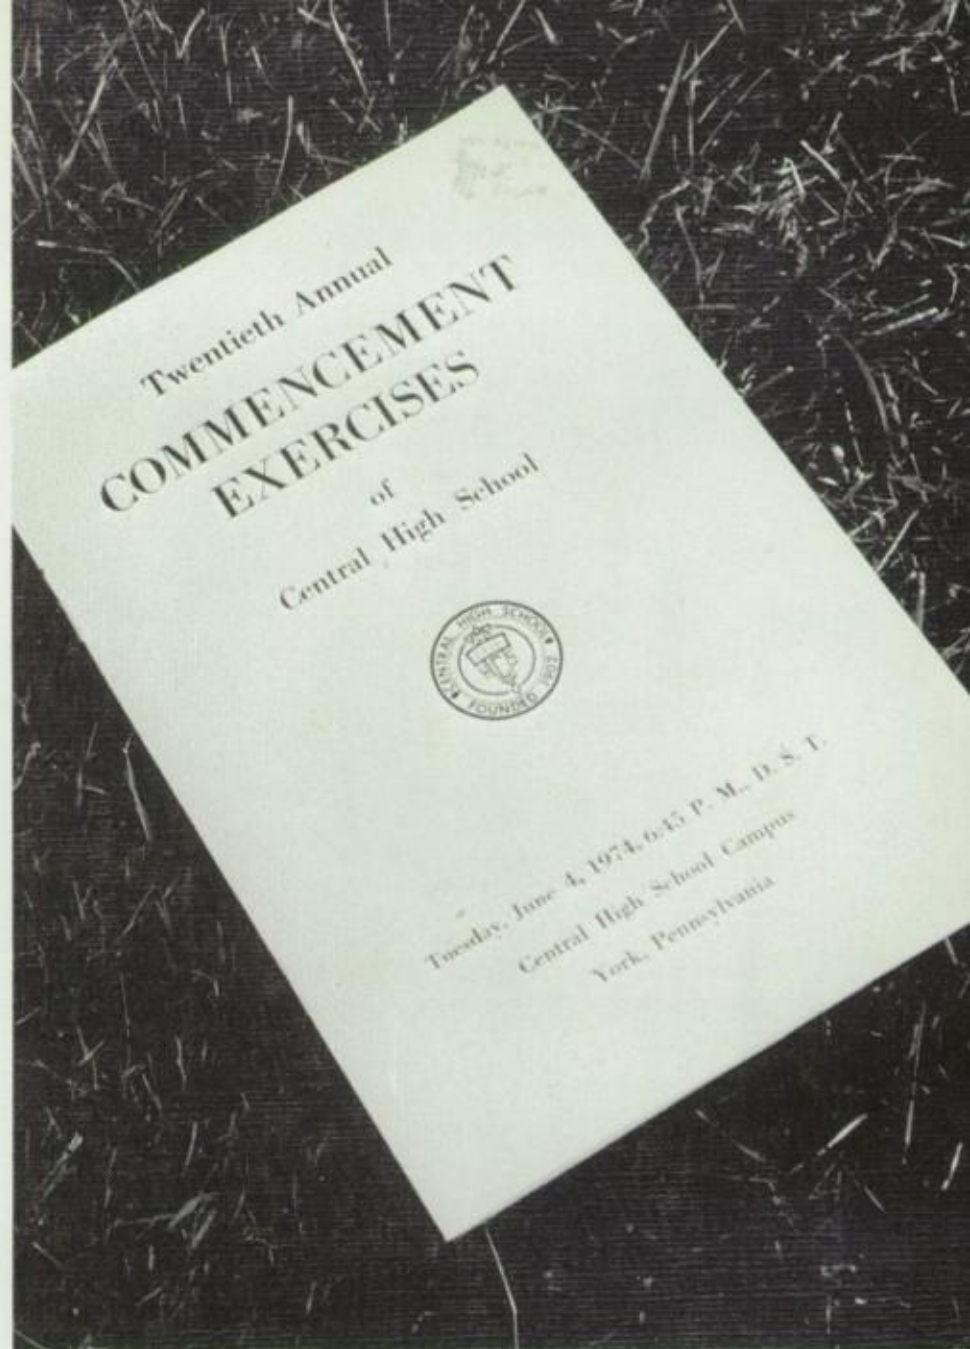

Graduation 1974

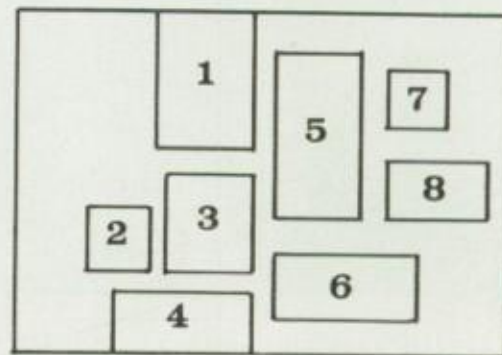

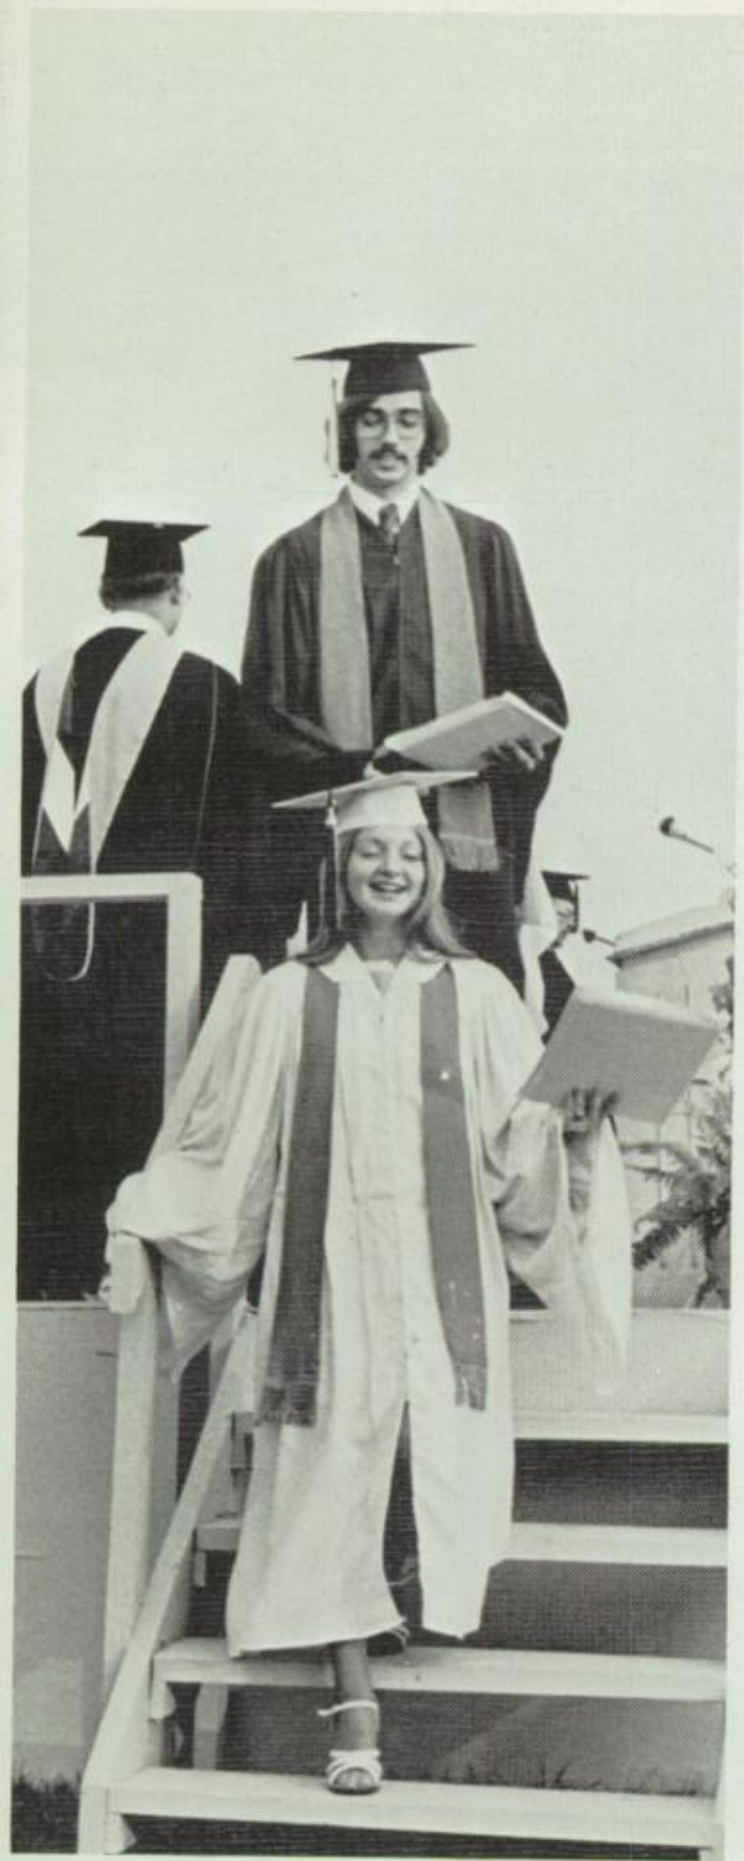

Sometimes twelve years seems like a long time to go to school, but once they are over they have gone too quickly. Twelve years of hard work, fun, and many friendships comes to an end, but opens the doors for a new beginning.

Graduation is the first step towards a new life, and for the Class of 1974 graduation was the beginning of their new life. It was a day filled with caps, gowns, diplomas, tears, tension, and laughter. As the Senior Class walked together down onto the football field, with the sun setting in the clear sky, cameras flashing; the realization of a new beginning forced tears to flow and faces to smile.

Amidst the realization and confusion the Class of 1974 did receive their diplomas along with a well-written message through a dialogue between two of their classmates, Barbara Calhoun and Crystal Hoffman. Senior Class President Tom Byers addressed the graduates and wished them farewell.

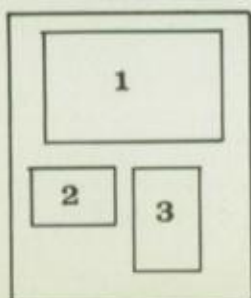

With the twelve years behind them and only the future ahead, the Class of 1974 will always know that they will "never pass this way again."

1. Congratulations to the Class of '74
2. A word to the wise
3. Commencement speakers Barb Calhoun and Crystal Hoffman
4. "Finally. A Graduate!"
5. "Twelve years of hard work. It was really worth it."
6. "My Class"
7. Tears of sadness, love, and joy.
8. Congratulations. A job well done.

The many weeks of preparing for the Homecoming weekend were closing in upon everyone, filling the air with much excitement and joy. Finally the weekend arrived which everyone was waiting anxiously for.

As the curtains were drawn, a hush fell among the audience as all eyes looked upon the beautifully decorated stage. The song "A Time For Us" filled the air as Central's seven members of the Homecoming court slowly walked down the aisles. The suspenseful moment came when Miss Sue Beshore was crowned 1974 Homecoming Queen.

Two former graduates of Central, Miss Cindy Randall and Mr. Dave Reinecker, added much thought and warmth to the emotionally filled audience as our two guest speakers. Mr. Walters, Coach Carr and Coach Rowe, co-captains Mark Noll and Mike Trish closed the assembly with their words of inspiration.

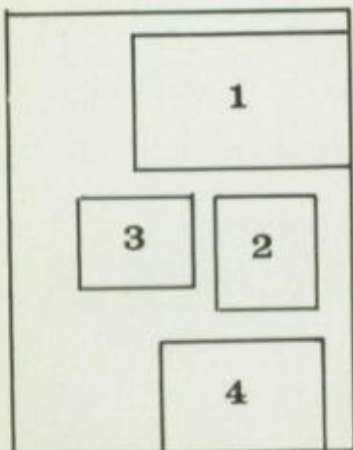

October 5 rolled around after the tiring hours of the night before putting the floats together.

The festivities of Homecoming day began with the colorful parade at the Panther home in North York. Following the parade was the victorious football game. But to much dismay to the Seniors, the float competition was captured by the Juniors.

The evening began with the sounds from the group "Beginnings" adding splendor to the theme "Days of Wine and Roses." It was an evening filled with happiness for everyone.

To make this year's Homecoming Weekend a big success much time and effort was put into it by GAA, Varsity Club, and Student Council. It was a weekend of fun, happiness, and memories.

1. The starting line up for today's game. 2. Last year's queen, Miss Lori Shuff 3. The joyful Juniors 4. "Hi Sue!"

Children's Play

On Thursday, December 5, six of Central's most talented actors and actresses presented the play, "The Cat Princess" for the entertainment of the elementary students of our school district. The children temporarily dismissed themselves from their school day and joined ranks with the family of King Olaf.

Evidently the students enjoyed themselves, for the cast was swamped with fan mail for weeks afterwards.

Dramatics Club Plays

On January 18 and 20 the CHS dramatics club combined 3 good one act plays, student actors, a stage set, and a variety of talented individuals and came up with an evening of enjoyment for all age groups.

The drama club sophomores produced a farce entitled "Last Night's Paper." A group of Thesbians presented the one act drama, "The Balcony Scene," and another troupe of CHS actors performed in a play called "The Monkey's Paw." The evening also featured short skits, dancers and singers. The Central High dramatics club can be proud of that fine evening of entertainment.

1975 Musical

"Guys And Dolls"

Did you ever hold a crap game in a sewer? The zany gamblers from "Guys and Dolls," Central's 1975 musical production did, and after losing, they found themselves at a prayer meeting at Save-A-Soul Mission in New York City.

Two of the gangsters are conned into getting married; one to a Hot Box dancer and the other to a sergeant from the mission.

"Guys and Dolls," presented by the music and dramatics departments on March 7 and 8, was a raging success and proved to be one of the most entertaining shows ever to hit the CHS stage.

I'll probably miss these people the most of all. I spent hours, weeks, and years learning how to get along with them. We tried, sometimes in vain, to get the others at CHS to understand us. The class of '75 was kooky sometimes, and other kids wondered at our strange behavior, but we were merely exercising our senior right: that of being immature. I wonder how many of my classmates I'll see now that our twelve years are over. I hope they'll find happiness in the future. They did a lot to give me happiness in the past.

Motto

"Life was meant to be lived
and curiosity must be kept alive.
One must never, for whatever reason,
turn his back on life."

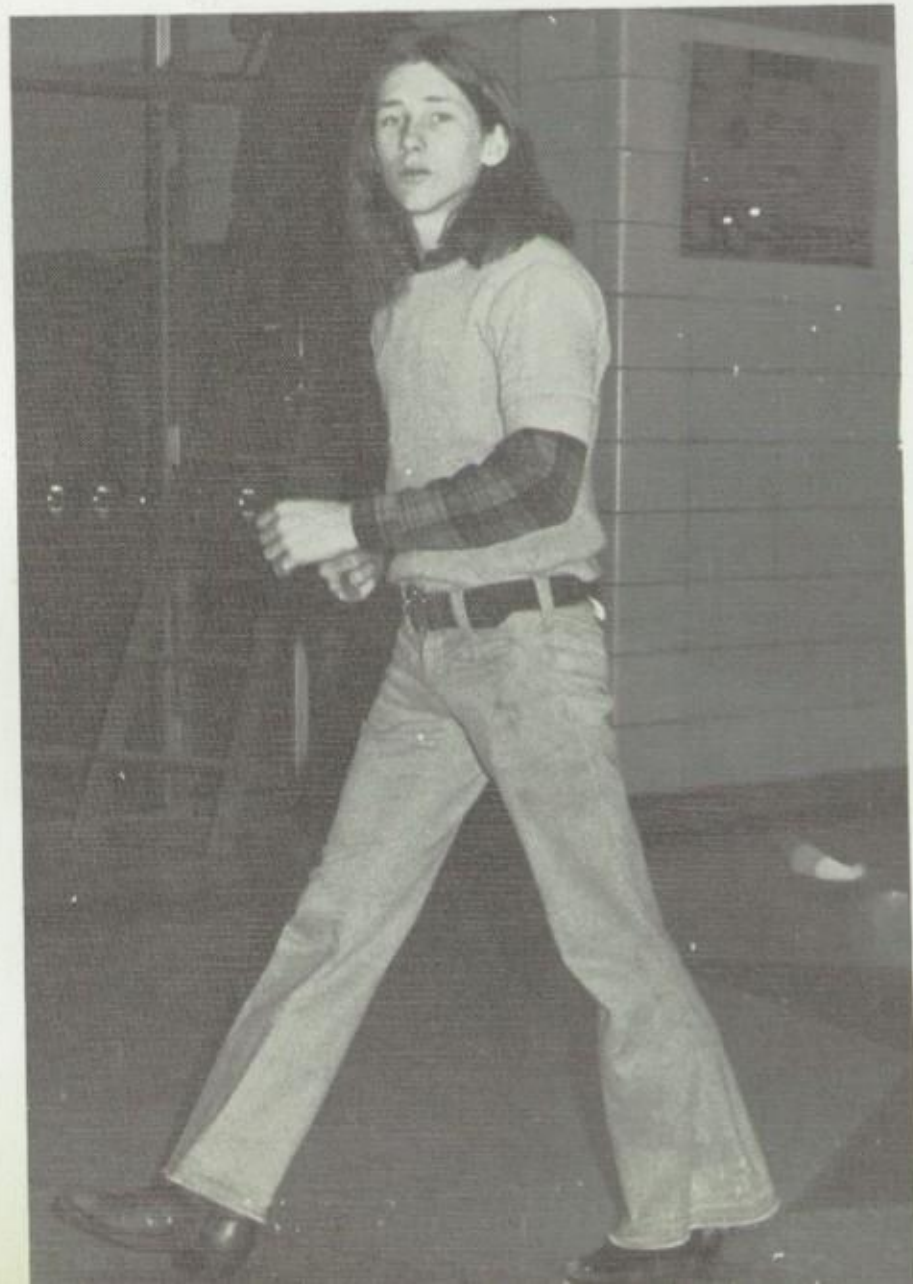

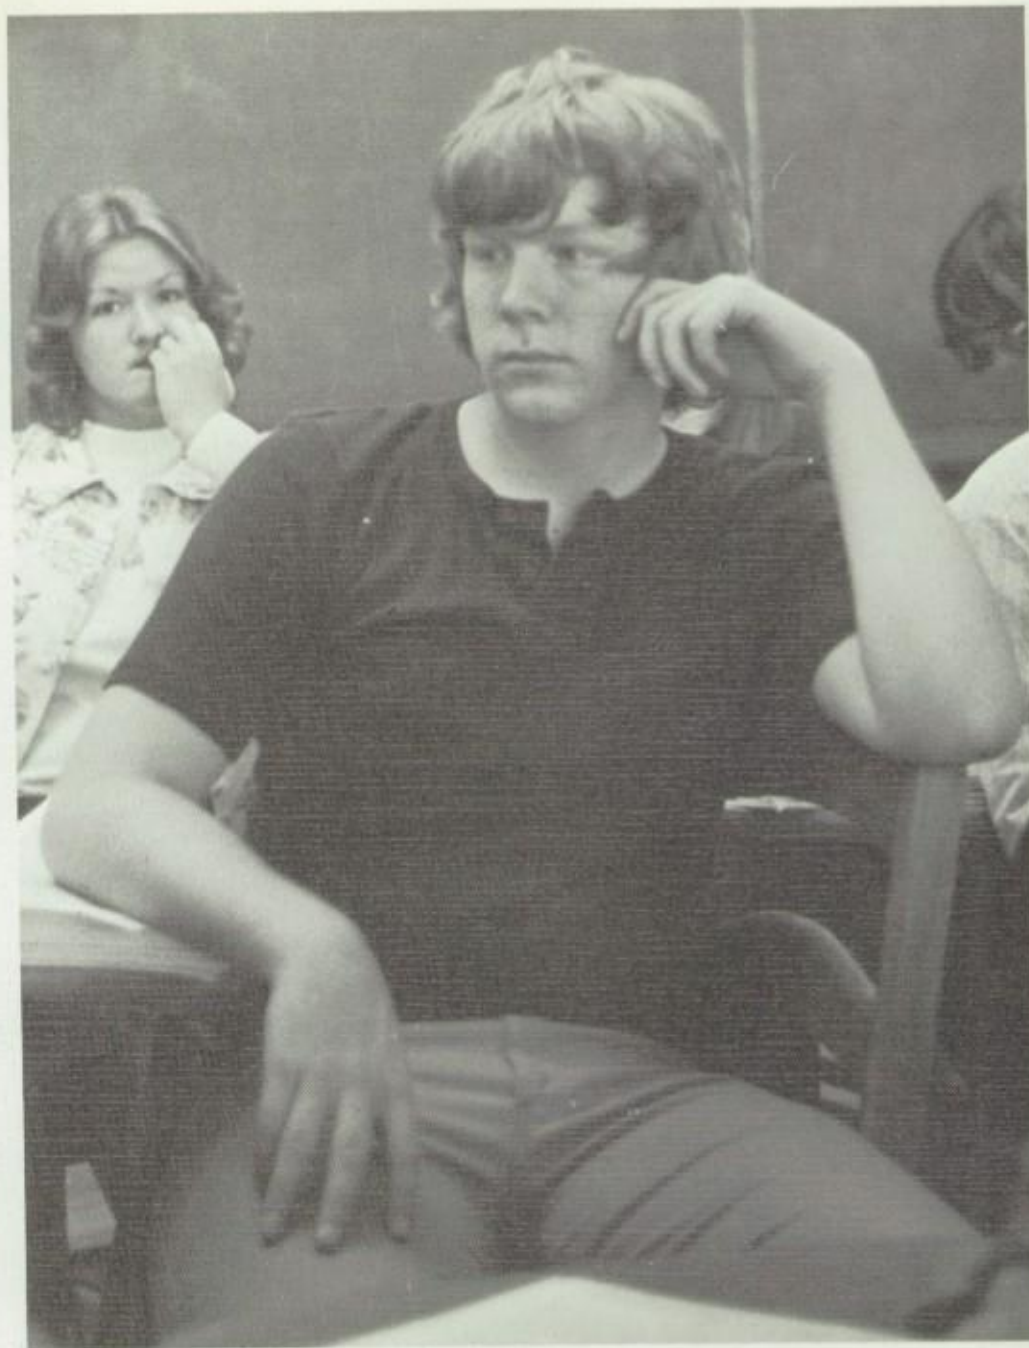

Poem

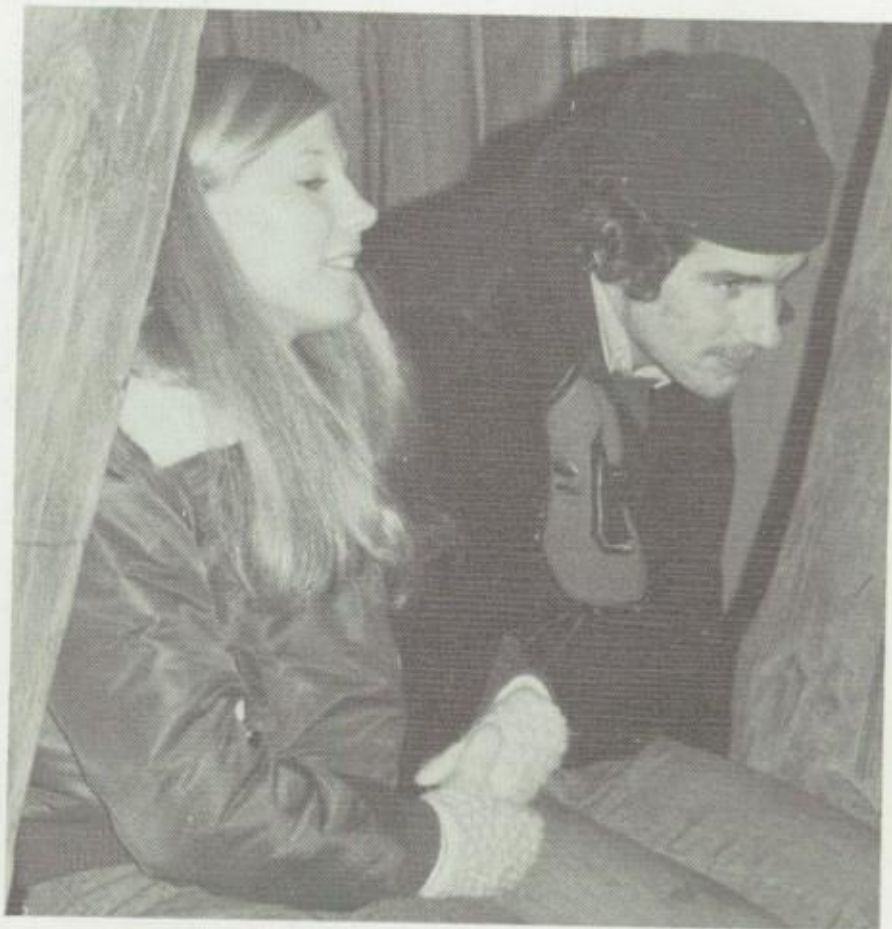

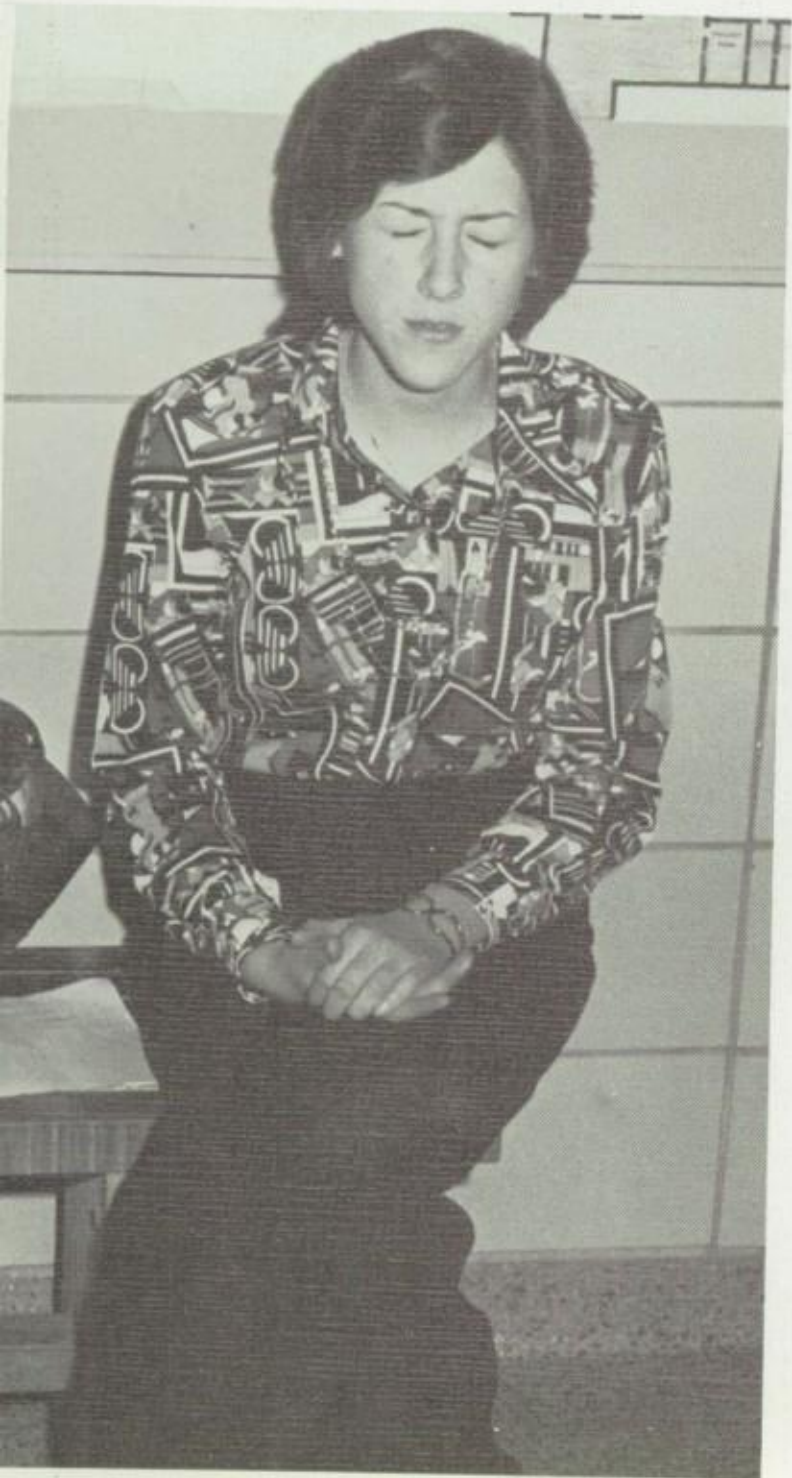

Education is the learnings through life
life is the span between death and birth
birth is an essence of life, close to death
death is the unknown existence to man
man is the creature of reason
reason tells the time and the season.
Education is that of knowledge
knowledge is attained through life's wisdom
wisdom encompasses an awareness
awareness is begot by individuals
individuals that strive
strive is to stay alive.
Wisdom and knowledge open the yoke
The gate of truth
truth is deep in a man's soul
a soul surrounded by mysteries
mysteries of man's mind
the mind. . . a great find.
Wisdom and knowledge is an enlightenment
enlightenment could mean happiness
happiness could mean sadness
sadness is a cause of tears
tears of many years.
Learning is brought about by curiosity
curiosity must be kept alive
alive is the pumping of the heart
heart is part of man's life
life was meant to be lived
lived through the goodness
or strife of life.

Senior Class Play

The Senior Class Play, presented on November 15 and 16, was a new style of acting for the CHS stage. The gay-nineties melodrama created fun and laughter for all who attended the production. The cast, consisting of approximately twenty seniors spent five to six weeks preparing their play by learning their lines, establishing a character and locating their positions on stage. Their last week of practice brought everything together to create a play of entertainment directed by Mr. Charles Martynuska and stage manager Terry Hartman.

One of the most involving events at CHS was Sports. A football game, a wrestling match, or a track meet; our team competing against theirs, fans roaring, a blind ref-all a part of the sports program.

In a way, the whole social life revolved around Sports. I remember not having room to move in the stands at a basketball game, the excitement of beating a leading team by two points, and mobs of kids packed into Hardee's on a Friday night.

ports

Football

With a much improved team and enlarged seating capacity the Panther football team appeared ready to take all comers, a win over rivals York Suburban and West York, Central inched toward next years goal of County Champions. All county team member Mark Noll led the way for a very determined Panther Defense.

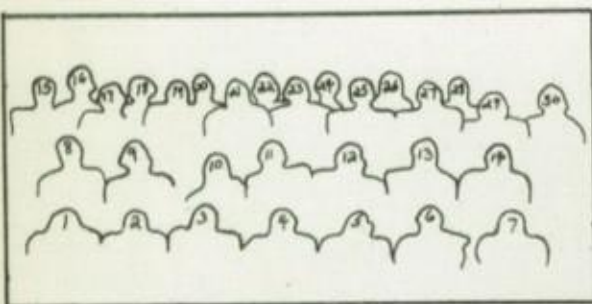

Boy, these pep rallies really work up the adrenalin.

With several girls going to field hockey camp and many summer practices, the girl's field hockey team was prepared for the 1974-75 season. Teamwork, skill, and much enthusiasm helped the girl's varsity field hockey team to a respectable 4-3-3 league record. The junior varsity field hockey team came away with a 4-2-4 league record.

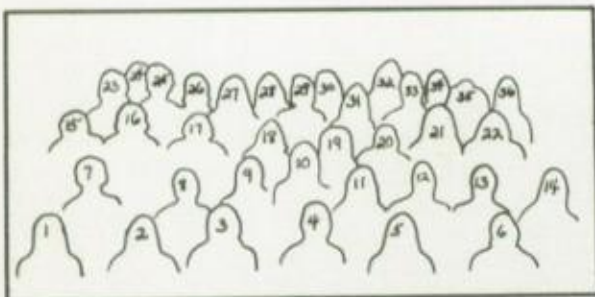

This year, unlike last year, Mrs. Brady, head coach, instructed the defensive players while Miss Spangler, assistant coach, directed the offensive players. "With Miss Spangler taking the offense and me instructing the defense, it helped a lot to specialize," stated Mrs. Brady. "The team won mostly because of their enthusiasm."

The cross country gang returned once again this year, under the direction of Coach McElwain. To the delight of all, the harriers charted a winning record which was well deserved. Their 6-4-1 record was one to be proud of, considering the fact that the guys suffered through wind, rain and heat to achieve this standing.

Hurry up she's getting away!

Golf

The golf team has made quite a few advances this year. They've added a female team member. As the first girl golfer at CHS, Pam Hess qualified for District 3 Championships along with Don Sipe. This was an exceptionally good season for the CHS golfers, having ended with a 7-5 season.

Boys Tennis

Although they didn't play as well as they has hoped, the Boys Tennis team had determination and courage till the very end. Lead by Kirk Schaeffer, Brett Bates, Don Schena, and Brian Shue who participated in the Singles and Doubles Tournaments, they ended their season with a 2-6 record.

Basketball

Although they did not capture the County Championship again this year, the CHS basketball team was the defending champs and they let the other teams know it. Led by Larry Slenker on offense, and Dave Huber on defense, they ended their season with a 13-6 record. Some highlights of the season include beating Hanover by two points with two seconds remaining, and a new school record of 47 points in one game, set by Larry Slenker. Although they didn't make it into the play-offs, the fighting Panthers tied for second place in their division.

Wrestling

The mighty Central grapplers worked many long, hard hours to achieve their goal; a winning season. Sophomore Mark Schaszberger and junior Keith McGuigan were great assets to the team this year, both earning 12-0-2 records. Mark also made CHS history when he was selected to be a member of the first All-County Wrestling squad. We congratulate these wrestlers and all members of the team for a job well done.

Girl's Volleyball

"We just don't know what happened!" This was the reaction of many CHS volleyball players concerning the '74 season. Although a very good season was expected the varsity team ended with a disappointing record of 7-5. The Panther team played in the District 3 and Junior Olympic volleyball tournaments where they placed third in each.

The 1974 Junior Varsity team ended the season with a record of 7-4. The Brady Brunch started off the season with four straight wins. The JV team looked very good this year and will definately be an asset to the Varsity squad next year.

Boy's Volleyball

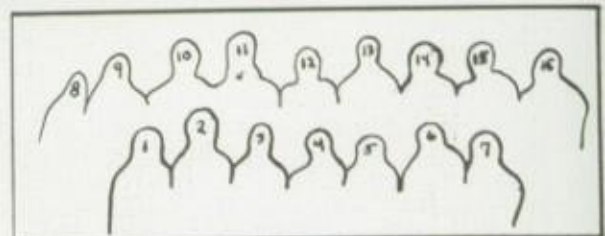

We've got four District championships so far and we're working on our fifth. The KC's (short for Koller's Crew) have participated in interscholastic tournaments, in YMCA tournaments, and have scrimnaged church teams over the summer. Everywhere they went, the CHS volleyball players have made a really good showing. Central had two players, Larry and Ken Slenker, in the All-State teams, and earned 5th place in the state tournament by beating Sullivan County and Freedom High Schools.

"Now why can't we have female managers?"

"Let's boogie!"

"ALRIGHT!"

No, hit the BALL, not the net.

Baseball

This year Central's baseball field was nothing but a huge pitcher's mound (actually a pile of dirt). Everyday the boys lost one hour of practice traveling to Hawks field in Pleasureville. Due to this and rainy weather the boys didn't do as well as expected, but did much better than last year.

Mr. Beckmyer said his greatest satisfaction was beating Dallastown, his biggest disappointment was losing to West York and Hanover. The team is expected to do better next year if they all play summer ball, which many of them are planning to do.

The 1973-74 track season was a year for rebuilding the team. Numerous members from the track and field events were lost due to most of them being seniors. Even so, the three-time YCIAA Track Champs ended the season with an 8-2 record, losing to Red Lion, their biggest rival, and West York. Two new events were added for the season; the 120 yd. high hurdles and the triple jump. Stars in these new events were Mike Morgan, in the high hurdles with a time of 16.3 sec. and Rodney Mylin in the triple jump with a distance of 40 ft. 8 in. A new school record for the long jump was achieved at the District III meet by Vince Lehr with a distance of 22 ft. 10½ inches.

Girls Basketball

Girl's Varsity Basketball finally became a reality in November of this school year. Coach Snyder led the female athletes to a 2-7 season. Although the record did not show a winning season, the team put forth their best efforts. One setback was a lack of experience, but the underclassmen feel that they will do a lot better next year.

"A team that practices together wins together" was Miss DiRocco's philosophy concerning the girls softball team. Miss DiRocco had high hopes for the team in the tournament at Dallastown, but the girls captured one win and one tie. With better playing conditions next year, the team should have a much better season.

So you have another hang. . .

Would you believe that there is one word that can describe both the Sophomore and Junior classes here at Central? Well, it's true and the word is SPIRITED.

The class of 1976 started the year with a boom by capturing the float competition and the class of '77 was close behind with a very impressive creation. The underclassmen avidly supported various Student Council projects. There are no sports rosters, Student Council committees or band organizations in which the underclassmen do not take an active part.

Now that graduation is just around the corner, I often think back to the good times I've had in my past three years at Central. Being involved in CHS activities was definitely worthwhile because not only have I made many new friends, but also I have many memories that will last a lifetime.

Music is said to be the language of the soul. To sing or to play meant expressing emotions that otherwise may have remained suppressed. Music had a big effect on my class. And the relaxation and enjoyment of music will last for us as nothing else will.

Band Camp

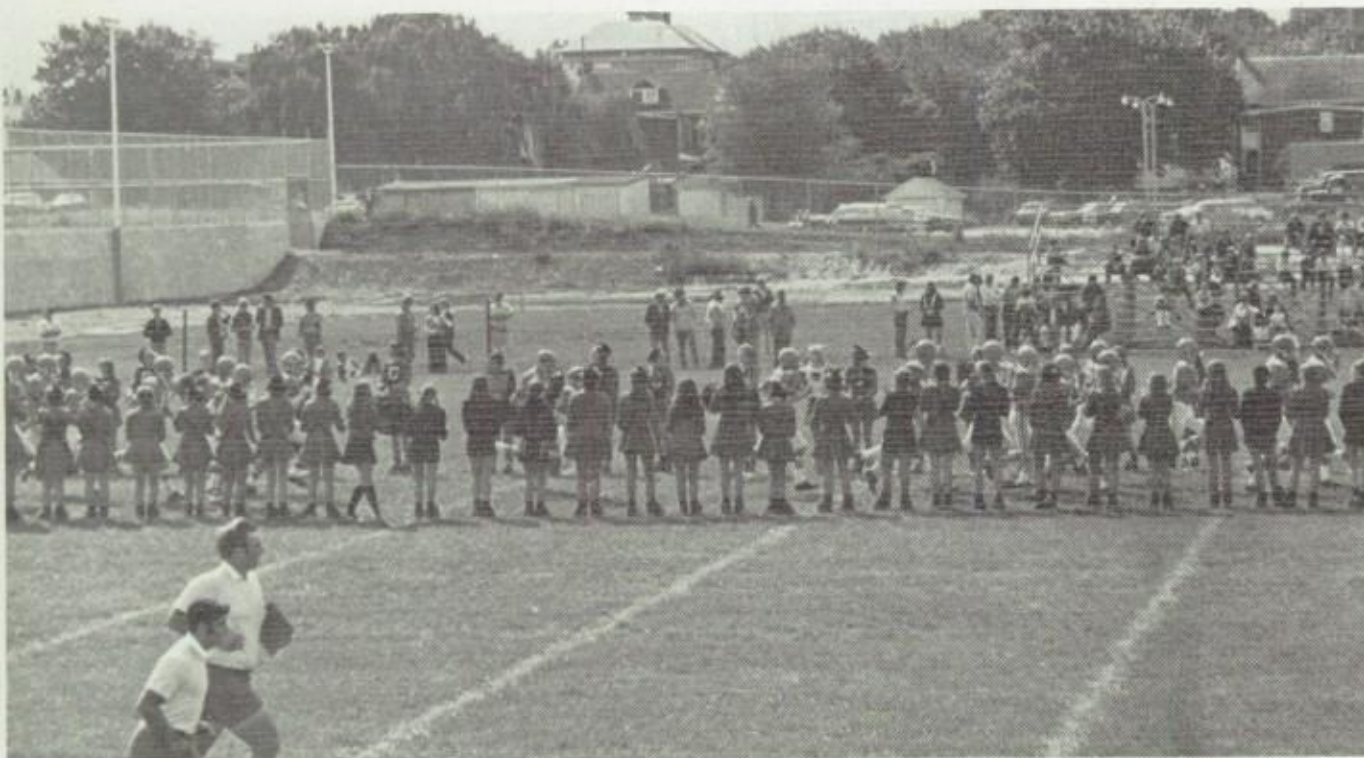

Who can march? Anyone can march. But not eight steps to five yards while lifting your legs, maneuvering properly, and playing an instrument, all at the same time.

The Panther Band spent five days of sunglasses, suntan lotion, mosquito bites, bay water, and KP duty at band camp. The loyal band members marched in the hot sun, and marched, and marched. They marched in their sleep (after girls' cabin 3 finally conked out), marched in their minds while eating, and marched to the showers.

All that time spent polished the marching band's performance, and the members became a unit mentally as well as physically. Times like these make the extra things about education worthwhile.

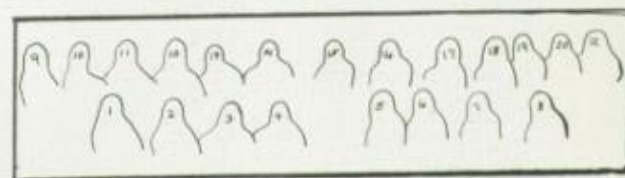

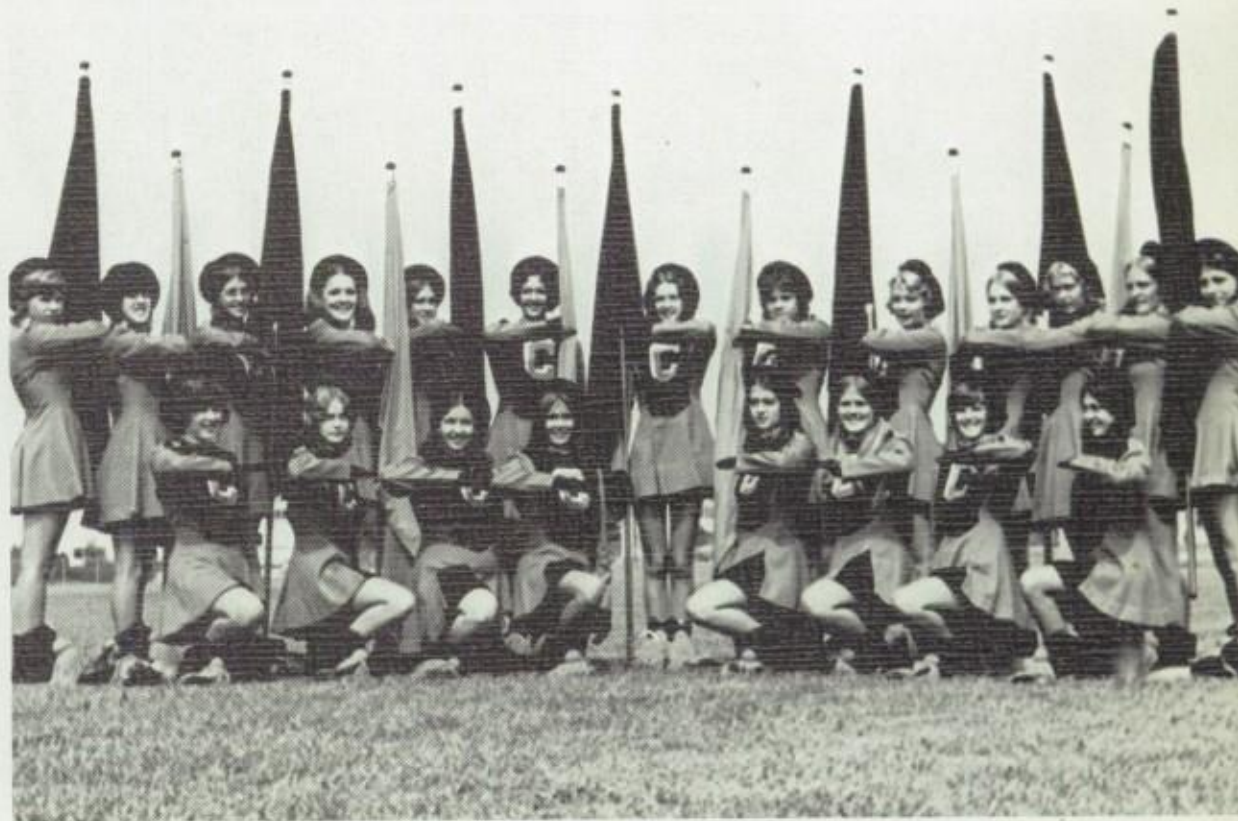

Pantherettes

This year the Pantherettes returned once again, not only to perform at the football halftime shows, but to compete in local parades and hopefully bring a trophy or two back home to Big Orange Country.

The sixteen tall silks and the eight colorful conference flags served a dual purpose at the games this year. Not only did they dance to "Hawaii Five-0", twirl their flags to "On Wisconsin" and play the role of big oranges to the tune of "Florida Sunshine Tree" but they were a spirited cheering section, faithfully backing the team to the very end.

We look forward to next football season and the return of the pantherettes with their halftime entertainment.

Colorguard

"Guard—forward ho!" It was commands such as this one that kept this year's colorguard looking sharper than ever. The girls performed many intricate drills at the football games which added a lot to the halftime shows. The CHS colorguard was proud to announce the addition of a new flag to their corps. The bright orange "Fighting Panther Marching Band" flag added color to the bandfront.

The colorguard spent many hours at band camp and at band practices refining their military techniques and you know what—you could tell, they were really good.

Majorettes

The majorettes were a new addition to the band front this year. The squad performed many different routines during the half-time shows. They twirled their batons, did dances and added a new look with their pom-pom routines. Under the direction of a different senior majorette for every show, the girls did a fine job. They held regular practices during the summer months and they worked diligently at band camp. The majorettes did a great job and we hope to see them back next year for another successful season.

Symphonic Band

"Not again, better" was the motto of this year's band. After a packed house for the Christmas Concert, the band gave a successful Pops Concert in February. The weekend of April 19-20 featured the Spring Arts Festival when the band performed many songs in preparation for the highlight of the year - their trip to Mexico. For many, band was a unique educational endeavor which provided several enjoyable experiences.

Mixed Chorus

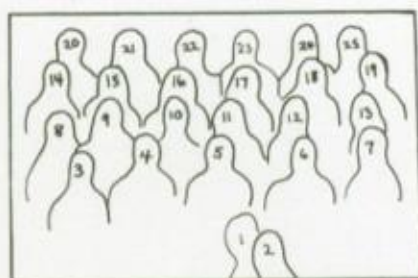

From the depths of the band room swell glorious sounds of Central's talented songbirds? Well, whatever metropolitan opera style they lack, the chorus makes up for with enthusiasm, singing the "Hallelujah Chorus" or jiving with "Sunshine in My Soul." Whatever the tune, whoever the composer, a song best expresses the feeling of youth.

The kids that many times weren't really recognized that much were those that did well academically. I guess all that studying and reading and hard work can be worth it. A person could really feel that he knows what he's talking about. Doing well academically has its own special sense of accomplishment.

Knowledge is one thing that will always remain with you.

Our Foreign Exchange Student From Tunisia Miss Saida Hadiji

Dear Friends,

It's very hard for me to put into words to describe my big and splendid experience.

I had a dream on being with you but it was not just a normal and ordinary dream. It was something special, it was something very great. It was a real dream, a dream that takes one year like a minute, a dream that offers to me the real happiness and that teaches me one big thing, that there are people no stranger from me, who care and give me all the warmth and friendship.

And now, I feel that it's monstrous to be separated from my friends, my happiness, my big smile. But I have the strongest hope to see my Americans again by saying to them a simple "bye," a simple "see you." Because they are my

Trying to teach someone something can be one of the most frustrating tasks a person can undertake, and yet one of the most rewarding. My teachers have made very lasting impressions on me. I hope that they'll be able to see that I've learned by what I achieve in the future. Maybe they'll feel that they've accomplished something.

The significance of your 1975 Panther theme, "Discovery," in this bicentennial era is both timely and provocative. Even the most casual student of American history cannot help but be impressed with the accomplishments of our great nation through its first two hundred years. But when one pauses to reflect briefly on the acceleration of that progress in the last ten years, only then does the impact of your theme, "Discovery," make itself evident. Your future will indeed be closely allied with "Discovery" limited only by your own initiative and scope of creative imagination. The past is ours, the future is yours to make the lives of your family and associates truly representative of those great achievements of our nation in this bicentennial era. Face the future with courage knowing the best wishes of your friends, parents, and teachers go with you.

See, you have been a real fine school citizen. Many thanks for your cooperation and kindness. May you always enjoy success and happiness!
W.H. Kralowetz Jr.

Keep up the good work!!!

Mr. William H. Kralowetz, Jr. Assistant Principal

In these troubled, confused but exciting times it is indeed appropriate that attention be focused on your theme - discovery. For it is this life-long process which symbolizes not being but becoming, not health but healing, not rest but action. Simply stated, discovery in its many forms is the hope for a better tomorrow.

Undoubtedly, the greatest of all discoveries is to know one's self but beyond that who cannot but be tempted by the immediate frontiers of exploring outer space, preserving man's environment, feeding the hungry and reconciling human conflict. To meet these issues and challenges you will need to grasp the same sense of curiosity, courage and determination which aroused discoveries in years past. You will need to think creatively, recognize what is important in life, and take a stand for what you believe when controversy rages.

Hopefully, the sharing of ideals, activities and insights you have experienced as participants in the educational program of Central Senior High School has enabled you to formulate worthy values which give direction to your life of discovery. Let it be said that you embarked upon your mission with purpose, love, and determination.

To you, the Class of 1975, I offer my prayers and best wishes that your discoveries will be exciting, useful and rewarding.

What made my years in school fun was being in organizations. Whatever your interest, there was at least one thing offered that you liked. But the best part was being with other kids that enjoy the same things that you do. Having one particular thing in common could make you friends that you'd never expected to have.

To discover life is one of man's most treasured goals. Yet, the elements that make up life are discovered each day - at work, at home, and yes, even at school. Discovering yourself in the multitudes of people surrounding you can indeed be an accomplishment. Your friends can be discovered only through your own desire for amity, and to find love when you need it most will strengthen your commitment to life.

Throughout our twelve long years of school we have made some important discoveries. Not only about our friends, but our enemies, too.

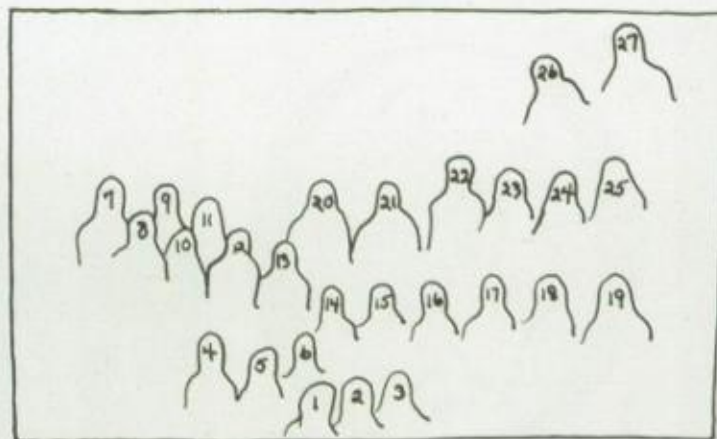

We have, by now, discovered how to be ourselves and how to accept others for what they are. The true meaning of our lives lies within ourselves and hopefully we will discover it too, when the time is right.

In a few short weeks, we, the class of '75, will no longer be students of Central High School. Then is when we will put all our discoveries together and use them to mark a new beginning.

In closing I'd like to take this opportunity to thank my wonderful staff, without whom this yearbook would not have been possible. Its been a lot of hard work, but the friendship, close ties, and the actual product that that work produced have been well worth it. Take care of your life, you can never relive what has been lost. Good luck to next year's staff and remember to reach out... to discover.

Girls Athletic Association

As my three years at Central come to a close, I can see how important it is to live each day to its fullest.

I often wonder if my classmates realize how appropriate our motto is which we chose way back in tenth grade: "Life was meant to be lived and curiosity must be kept alive. One must never, for whatever reason, turn his back on life."

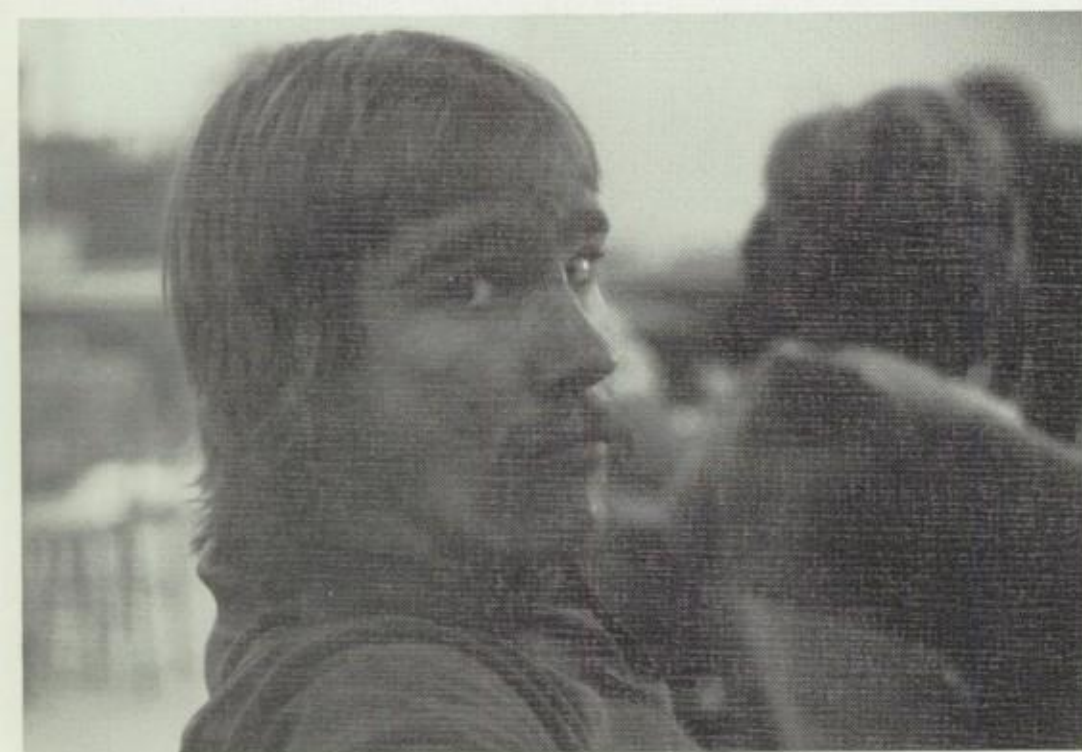

I realize now that there's a lot to remember about my schooling. The memories are already fading, and somehow I feel that it would be unjust for me to forget such an important twelve years. Each and every day my life was changed a little; maybe it was the people I met, the classes I chose or just the things I learned about life in general. Sometime I'd like to come back and see everyone again, to be a part of CHS for a second time. But I know that nothing will ever be the same again. So I'll be going on my way. Goodbye and thanks for listening.

Love,

A friend

P.S. High school life wasn't just inside the school itself. Like every generation we had our Friday night hangouts.

Kids mobbed into Hardees, trooped into Emaneul's and congregated at Victory Fire Hall. Without these people and places CHS would never have been the same.

Life was meant to be lived and
curiosity must be kept alive
...

One must never, for whatever reason, turn his back on life."

Sue,
You're a really regret
nice chick. I only know
I didn't get to know.
Keep you'll go
and your better. I'm sure you'll go
far in life. Good luck!
Cool Bless,
Sandy

One,
A real sweet girl,
whom I met in 9th grade.
Good luck in the future
in whatever you do. Also
have fun with the guys.
God Bless you!
Love ya
Kim

Love,
Tina - the raised eyebrow
kid.

You assure it.
Take care and hope to me. Wish
have been and to all the help
forget everything that's a joke.
I will never
the look the lady as a joke.
What about the way you and the
time we went to the hospital and
Abraham I lost sense the do not
can you believe that, I'm trouble with
crazy dreams that, my trouble with
love, Daff, Bill, etc. I'm trouble with
want enough, Bill, etc. I'm trouble with
John and crazy times we had in
and to one of my best friends
work, remember all the great
and remember all the great
and to one of my best friends

Sue,
 To a real
 sweet chick I'm
 glad I got to know.
 Always remember the
 good times (There wasn't
 really anything good to remember
 about math class) but the things
 outside of math class.
 Keep looking for
 that special someone
 Hope you find him soon.

 Love
 Joyce

Sue,
 To a really nice
 girl I knew from
 Jr. High. If you are
 selling stationary
 next year I'll buy
 some! HA! HA! Be
 Good + Take Care.

Love,
 A.G.F.H.A. - Jill

Sue,
 To a nice girl
 I met I don't know
 when. Thanks for
 doing my letter for
 me. Have fun this
 summer and take care
 Love,
 Kim

To a girl who is so
 sweet and I have known
 for a long time. Have
 a nice summer and
 take care of yourself.
 Love,
 Cathy

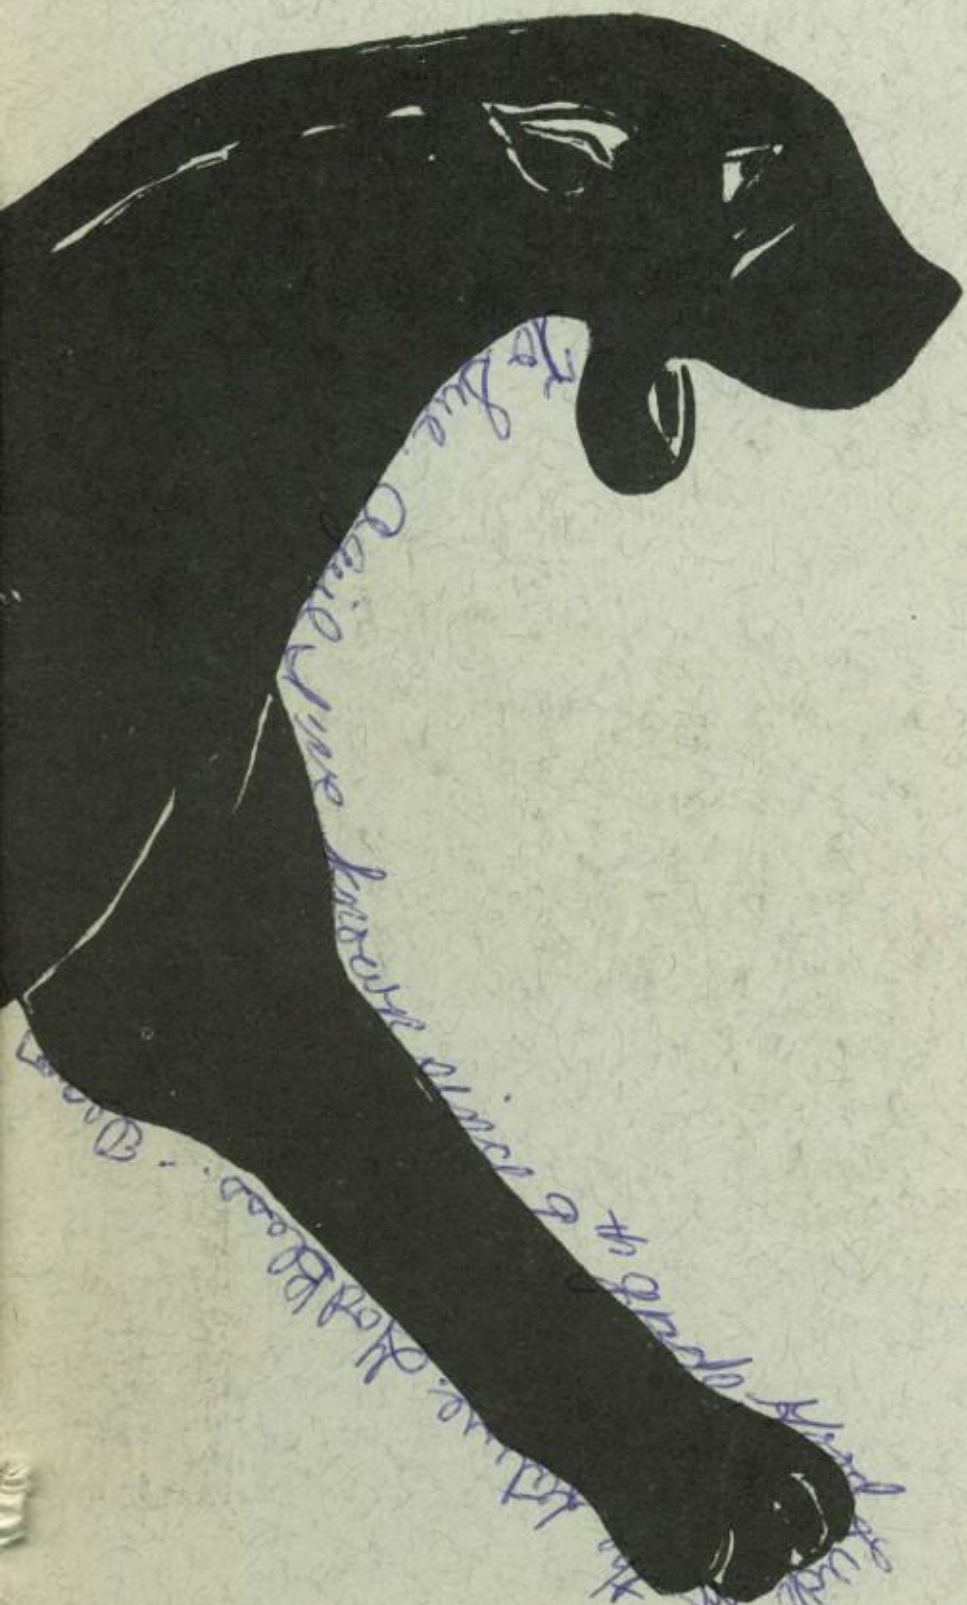

Love,

Sue,

Sue
 To a nice
 girl who had
 English with me
 two years in a
 row with two
 whitches. Good
 luck in all
 that you do
 and stay
 cool
